**SUBMISSION OF SUBSTITUTE SPECIFICATION**

Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the Notice to File Corrected Application Papers, please find  
attached a substitute specification in compliance with 37 CFR 1.52.

The above-identified mailing was only recently brought to Applicants'  
attorneys attention through a telephone call from Ms. Hayward at the United States  
Patent and Trademark Office. While the above-identified application was transferred  
to the firm of Brinks Hofer Gilson & Lione in December 2001, there is nothing in the  
file or any other record in possession of the undersigned attorney that indicates that  
the Notice to File Corrected Application Papers was ever received by Applicants'

former attorneys. Accordingly, the Notice to File Corrected Application Papers was apparently lost in the United States Postal Service.

Respectfully submitted,

Dated: 11/20/02
